UNIK METAL PRODUCTS LIMITED

Difference makes excellence

www.unik-metal.com

COMPANY PROFILE

CONTENTS

Unik metal products limited has been manufacturing stainless steel railing system and hardware since 2008 . The fittings including glass clamp, glass spigot, handrail bracket, cable system fittings, end cap, end cover, angle elbow, baluster, and so on.

Our factory is located in Jiangmen, which covers an area of 5000 square meters. The production team is make up of 150 experienced stuff and 3 engineers who have been into this industry for over 20 years.

The whole process of manufacture is controlled by ISO9001:2015. Every products are carefully monitored at every stage of production. All incoming raw material are inspected and reexamined before casting by specific analysis instrument to ensure the chemical composition. Castings are inspected by X-ray and guaranteed to pass the mechanical properties test.

The president has been in export business for 12 years. She went to many countries to visit the clients and market, including Russia, Germany, South Africa, Canada, France, USA, Kenya, Algeria, Mexico, Nigeria, Thailand etc.

We always believe that: we are young, but our team is strong.

If you are looking for an efficient and stable cooperator, please contact us.
